## SISSONS ACRYLIC ENAMEL GOLD

**PRODUCT DESCRIPTION:** Based on a fast-drying acrylic resin and fine particle size gold powder.

**RECOMMENDED TYPICAL USES:** Suitable as a top coat on any primed surface where a high gold luster is desired.

**ADVANTAGES:**

1. Bright metallic gold luster.
2. Suitable for interior and exterior surfaces.
3. Fast drying.
4. Suitable for use over metal, wood or plastic

**DIRECTIONS FOR USE:** Paint is supplied ready for use, however, the metallic powder used in this product is "heavy" hence thorough stirring is required prior and during use. Brush application is the preferred method of use. Allow the first coat to dry for 12 hrs before a second coat – if required.
